

Study Diaphragm Plastic Valves - World Market

> Analysis new development Georg Fischer <

Market study for Producers, Dealers and Users

		Page
	Copyright H+P	2
1.	Mission and order	4
2.	Introduction, definitions and demarcations	5
2.1	Market segment groups, target groups	8
3.	Market potential / share - Diaphragm Plastic Valves (DPV)	18
3.1	Market potential - World 2009 - 2015 DPV	19
3.2	Market potential - World Regions 2009 - Diaphragm Valves (DV)	19
3.3	Market potential - Product groups 2008 - DPV	19
3.4	Market potential - Country ranking 2009 DV	20
3.4.1	Market potential regional in Germany DV	20
3.5	Market potential - Main countries import volume 2009 DV	21
3.6	Market potential - Main marketsegments ranking 2009 DV	22
3.7	Market potential - Manual, pneumatic, electric actuation DV	23
4.	Analysis new development DPV Georg Fischer	24
4.1	Development 1960 - 2010	25
4.2	Requirements	27
4.3	Safety	28
4.4	Simplicity	34
4.5	Efficiency	41
4.6	Results Summary	49
4.7	Product range - manual, pneumatic, accessories	50
4.8	Tests and applications	54
4.9	Marketing - Mix, actions, advertisement, documentation	63
4.10	Price comparison	65
4.11	Profile Georg Fischer (+GF+) Piping Systems	66
5.	Competitors worldwide turnover, Vendor selection DV	68
5.1	Competitors selection valve producers - marketsegment focus	77
5.2	Product ranges - Main competitors DPV	79
6.	Applications	91
